

SOTO ACADEMY OF MUSIC, LLC

"Because Music is the Sunshine of the Soul"

Educational Curriculum for Music Discovery

Music Discovery Camp (3-6 years old)

To create an overview of musical skills via hands on activities based on the following music areas:

Movement
Songs
Listening
Musical Concepts
Rhythms
Instruments

At least one activity for each of the areas above must be covered on a daily basis in the period of the music camp.

Example of music hands on activities:

Learning to play rhythms with the boom whackers
Listening to different music styles using a hand puppet show
Drawing and painting musical concepts
Introduction and performance of the guitar, piano, violin, drums, native instruments and xylophones, among others.
Moving to music.
Viewing live and/or special performances
